About West Village Theatre

In February 2014 Ghost River Theatre, Calgary Young People's Theatre and Green Fools Physical Theatre joined together and created The West Village Theatre. As part of the inner city community of Sunalta, we are committed to providing a cultural space and offering artistic exposure to an otherwise underserved community of people.

West Village Theatre is an 83 seat black box performance and administrative space. The space has an overall capacity of 148 which makes it ideal for all sorts of events including theatre, dance, art shows, weddings, parties, bands, etc!

Grow Your Company

Stability in a location is a recognizable trait in sustaining your company. Become recognized as a visionary alongside our residents. We all work together to make West Village Theatre the best venue for independent cultural experiences in Calgary.

Please submit your application and book your appointment by contacting us at info@westvillagetheatre.com. We can't wait to hear from you!

Sincerely,

West Village Theatre Society
